

**Dear Parents,
Greetings to you,**

Given below are a few important guidelines which we expect our students to follow, as this will help in ensuring that we are able to ensure proper deliveries of all the school processes.

- ❖ **Students coming on their own to positively report by 8:00am. The School gate will close at 8:00am sharp, no students will be allowed entry once the gate is closed.**
- ❖ **Wearing a mask is mandatory to ensure the safety of one & all. The School expects all the students to strictly follow this guideline. Any student not wearing a mask will not be allowed entry in the school premises. Kindly ensure that your ward is not a defaulter.**

**Thanking You,
Regards,**

**Mrs. Archana Pal Singh
Principal**
