

18th July, 2022

**Dear Parents,
Greetings to you,**

The School policy clearly defined from Day 1 does not allow students to carry mobile phones. We have been informing & counseling the students of Grade IX to XII regarding the same, but the students are not ready to listen to us.

From tomorrow onwards i.e. Tuesday, 19th July 2022, we will not allow students to carry mobile phones under any circumstances not even on the pretext that they come on their own & that is why you the parents ask them to carry the mobile phones. In such cases the mobiles should be kept in their vehicles & should be only brought out once they have left the school campus. Violation of the above policy would lead to termination from School permanently.

Kindly consider this as last & final warning.

**Thanking You,
Regards,**

**Mrs. Archana Pal Singh
Principal**
