**Dear Parents,  
Greeting of the day!**

We are sharing with you the details of an **Online Summer Programme** on enhancing the speaking skills – offered by Burlington (publisher).

This **Summer Holidays** make fun meaningful and learning a joyous event with our **Live Speaking Holiday Camp!**

Through this letter we present to you an opportunity for your students to express themselves with **Burlington English's - Live Speaking**—a unique program to expedite your efforts to develop confident and expressive future leaders!

Through interactive digital engagements at the comfort of one's home, encourage an immersive collaboration of thoughts with an expressive exchange of ideas during a whole **month of fruitful communicative experiences!**.

Live Speaking congregates language experts from across the globe with noteworthy experience in foundational aspects of proficiency in communication.

**We invite your learners to learn beyond the textbook and add gravitas to their thoughts through:**

- Online lessons for **ages 8-14 years (Grades 3 - 8)** with multiple opportunities to express themselves.
- **45-minute intimate digital sessions.**
- **Thematic lessons aligned with classroom curricula**, tailored to school's unique needs.
- Wide spectrum of language levels as graded through **Common European Framework of Reference for Languages (CEFR).**
- **Video resources and constructive activities** curated to stimulate higher-order cognition and creative expression.
- **Personalised progress monitoring and consistent feedback** to improve and accelerate learning.
- **Multi-cultural exposure** to instil a collaborative, respectful, reflective, and responsible spirit of knowing, sharing, and growing.

**Note:- This is an optional programme.**

**Thanking You,  
Regards,**

**Ms. Archana Pal Singh  
Principal**
