

**25<sup>th</sup> August, 2023**

**Dear Parents,  
Greeting of the day!**

The School starts at 8:00am sharp for the students of Grade I to XII.

We have sent multiple circulars & messages earlier clearly stating that the self students should reach school in the morning positively by 7:55am, failing which they will not be given entry. In spite of this we are regularly witnessing self students reaching school late. For the past two weeks the coordinators have been giving them entry with a warning.

From Monday, 28<sup>th</sup> August 2023 onwards, the school gates will close at 8:00am sharp. The late comers will not be given entry under any circumstances.

**Thanking you  
Regards,**

**Ms. Archana Pal Singh  
Principal**
