

**Dear Parents,  
Greetings of the day!**

We are daily reading news about a new variant (JN1) of Corona virus raising its head and spreading across the country. Kindly do not panic & get worried, we all know that – **“Prevention is better than cure.”**

**We are making it mandatory for the students to wear a mask to school from Tuesday, 26<sup>th</sup> Dec. 2023 onwards.**

We are sharing some tips for you to remain safe:-

1. Cover your mouth when you sneeze & cough. Use a tissue and throw it in the bin.
2. Stay away from people who have the same.
3. Wear a mask while going to crowded areas like a market or some gathering.
4. **Disinfect frequently touched surfaces like** door handles etc. with a wipe. In public places touch railings & door knobs with a tissue.
5. While greeting someone – **No Handshake & Hugs**. A simple ‘**Namaste**’ will be equally effective.
6. Frequently wash hands with a good soap. Scrub fingers, thumb & wrists.

We hope these tips will help you and your ward in staying safe.

**“Let’s Stay Safe & Healthy”**

**Thanking you,  
Regards,**

**Ms. Archana Pal Singh  
Principal**
