

08th April, 2025

**Dear Parents,
Greetings to you,**

The weather forecast for the coming days is showing extreme rise in temperatures. Leading to Heatwave across the entire North & West India.

Keeping in mind the safety & well being of our students we have decided to postpone the PT – I Test scheduled in the first week of May (Grade III to VIII). It will now be conducted after the summer break. The details i.e. schedule & syllabus will be shared with you in the upcoming days.

Thanks for your support & cooperation.

**Thanking You,
Regards,**

**Mrs. Sumita Minhas
Principal**
